The Linguistic Association of Finland was founded in 1977 to promote linguistic research in Finland by offering a forum for the discussion and dissemination of research in linguistics, both in Finland and abroad. Membership is open to anyone interested in linguistics; membership forms can be obtained from any of the board members. The membership fee in 1994 was 100 FIM (50 FIM for students and unemployed members). Members are sent a newsletter and they receive the Association's yearbook gratis.

## Acknowledgements

The editors would like to express their gratitude to the contributors of *SKY 1996 Yearbook of the Linguistic Association of Finland* as well as the scholars who acted as referees, commenting on and evaluating the submitted manuscripts. Without your help, there would be no yearbook.

We would also like to thank the Academy of Finland and the advertisers in the current volume for their financial support, without which there would, again, be no yearbook.

We are also grateful to the editors of the previous volume for their guidance and help. Without you, there would have been no hope of a yearbook which would even get close to the standards you set.
